TALK Updates

We are in the process of updating the [TALK toolkits](#) and trainings based on feedback from our survey earlier this year. We recently added an [index](#) to make it easier to navigate the toolkits:

We have reorganized some of the folders, so if you can't find what you are looking for, please reach out to us.

Watch for more updates in coming weeks and let us know if you have any suggestions.

Tip of the Month

Unable to join us for the upcoming trainings? Here are some resources from the toolkits that would be useful to review:

- [Tips for promoting TALK](#)
- [Building Community Partnerships](#)
- [Educators and Childcare Providers Partnership Guide](#)

Find previous newsletters on the [TALK website](#) for more tips. Email with questions! We're always willing to set up a Zoom meeting for your library, youth department, or cooperative to help you get started or make the most of the TALK service in your community.
