User Testimonials

The first data from HighScope's Parent Perception Survey is back and we have positive feedback to share! Feel free to cut and paste quotes from the [new document](#) in the [Tools for Reporting to Partners Folder](#). Use the quotes to help promote TALK to caregivers and to community partners who can help you get the word out to parents you don't see at the library.

The activities, resources, and ideas for learning are great! I enjoy the suggestions and also implement them. My child enjoys the age/skill appropriate activities. Super fun and educational towards growth development. My child had/has a speech delay yet is finding her words more and more.

TALK Stats

There are 216 TALK libraries—194 in Michigan and 22 in Indiana. 3854 children are currently being served by TALK and 1028 have graduated!

Tip of the Month

Use the new digital display files located in the [Promotional Materials Toolkit](#) to advertise in your library's lobby or share on social media. Twelve choices let you change your display every month!

TALK Make any time learning time!

READ: a book to find facts about your toddler's favorite animal. Where does it live? What does it eat? How many legs does it have? Is it nocturnal or diurnal?

Creative ideas always help a parent. A lot more convenient a simple text than searching on the web with one million options popping up or search for things and unable to find them due to links.

Find previous newsletters on the [TALK website](#) for more tips. I am also happy to answer questions or set up a Zoom meeting to help you make the most of the TALK service in your community.

Thank you for being a TALK library!
